Open up classroom - either through Classroom App or by going to:

Classroom.google.com

Identify yourself as a student

Click on the + in upper right hand corner

Click on Join Class

Enter the appropriate code for your section

String Ensemble - ly4ihch

Camerata - ie3r0i

Philharmonia - 1rppcsr

Look for the assignment in the Stream

If you are not sure how to submit your video, the best option is to upload your video to your Google Drive directly from your Smart Phone or other device. Check with someone if you are not sure how to do this.

Please check to see that your video fully uploaded before you submit!

Title your submission with your section first (Violin, Viola, Cello, or Bass), then your name. That will sort you by instruments. (ie - Cello, Joe Smith)
